

Millance Leverage & Margin Policy

Overview

This policy explains how leverage works, margin requirements, and conditions for trading during high-impact news at Millance LTD.

Key Points:

Leverage Tiers:

- Standard Account: **Up to 1:400**
- ECN Account: **Up to 1:200**
- Professional Account: **Up to 1:300**
- Crypto Trading: **Up to 1:10**

Margin Requirements:

- Traders must maintain sufficient margin in their accounts to keep positions open.
- Margin Call Level: **50%**
- Stop-Out Level: **20%**

High-Impact News Trading:

- Leverage may be temporarily adjusted during major financial news events.
- Positions held during high-volatility events may be subject to higher margin requirements.

Millance LTD reserves the right to modify leverage and margin conditions without prior notice due to changes in liquidity or major economic events.
